

FAMILY CONTRIBUTIONS 2022

Dear Families,

Thornbury High is looking forward to a year of rich teaching and learning opportunities and would like to advise you of our voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support that makes a huge difference to our school and the programs we can offer.

Our school makes every effort to keep the cost of items and activities to a minimum and affordable to all families. Each year, School Council meets to consider the school's financial position and prepares a budget to cover the educational programs, administration, facilities development and maintenance for the next school year. Voluntary contributions from families play an important role in ensuring we have the resources and facilities necessary to deliver the diverse academic and co-curricular programs offered at Thornbury High.

In 2021, the programs, resources and facilities upgrades that family contributions have supported include:

- Learning intervention and extension programs
- Enhanced digital communication and learning infrastructure and devices
- Library infrastructure and resource improvements
- Critical support for families experiencing hardship
- Additional acoustic treatment for the Performing Arts and Sports Centre
- Full replacement of all VCE and Year 7 basketball posts, boards and rings
- Grounds improvements through landscaping and maintenance

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

We appreciate your ongoing support for our community.

Yours sincerely,

Michael Keenan

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

FAMILY CONTRIBUTIONS 2022

Dear Families,

Thornbury High is looking forward to a year of rich teaching and learning opportunities and would like to advise you of our voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support that makes a huge difference to our school and the programs we can offer.

Our school makes every effort to keep the cost of items and activities to a minimum and affordable to all families. Each year, School Council meets to consider the school's financial position and prepares a budget to cover the educational programs, administration, facilities development and maintenance for the next school year. Voluntary contributions from families play an important role in ensuring we have the resources and facilities necessary to deliver the diverse academic and co-curricular programs offered at Thornbury High.

In 2021, the programs, resources and facilities upgrades that family contributions have supported include:

- Learning intervention and extension programs
- Enhanced digital communication and learning infrastructure and devices
- Library infrastructure and resource improvements
- Critical support for families experiencing hardship
- Additional acoustic treatment for the Performing Arts and Sports Centre
- Full replacement of all VCE and Year 7 basketball posts, boards and rings
- Grounds improvements through landscaping and maintenance

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

We appreciate your ongoing support for our community.

Yours sincerely,

Michael Keenan
