Welcome to Thornbury High School.

At Thornbury High School we believe that a safe and secure learning environment, high academic standards and opportunities for students to pursue individual interests are the essential elements of an outstanding education.

At Thornbury High our purpose is to prepare students for a changing, diverse and sustainable world by:

- Building knowledge and skills,
- Encouraging effort and excellence,
- Fostering resilience and integrity,
- Developing a caring and cooperative learning community.

At Thornbury High school there are three distinct phases in education:

- Establishment and support (year 7&8).
- Empowerment and Independence (year 9).
- Specialisation and Pathways (year 10,11& 12).

In Year 7 & 8, students have a choice of the mainstream program or High Achievers’ program. In the mainstream program, students receive challenging but appropriate work. There is additional support for students with literacy problems as well as smaller class sizes. In High Achievers’, students complete a similar program but are extended and challenged through a variety of higher order thinking and problem solving activities.

In Year 9 students are involved in an authentic learning program with an emphasis on team learning, connections to the local community and the extensive use of information and communication technology. A significant part of their studies will occur in the newly renovated Library which is a flexible and multi-purpose learning environment.

In Year 10 students will be prepared for their VCE studies but also have a range of curriculum choices. These choices include VCE studies, advanced Mathematics, Vocational and Education studies (VET) and a range of electives.

Peter Egeberg, Principal

IN YEAR 8 THE JOURNEY CONTINUES...

In the Junior school, your son or daughter will be immersed into a challenging, exciting and involving learning environment. Our top priority in these early transition years is to build a culture of mutual trust, respect and a love of learning.

The Junior School at Thornbury High School features a purpose built Year 7 Learning Centre. In 2010, year 7 students will also have two new classrooms and a decking area. This sustainable building is an extension of the old Year 7 Centre and was completed in 2009. The area gives younger students the security of belonging to their own small and caring community. Specialist facilities include air conditioned classrooms, computers in all classrooms, their own locker area, toilets and recreation area.

Students experience the personal care of a form teacher as their first level of support and commence each day in their Home Room. A small team of subject teachers, and the peer support from older students enable our junior students to quickly develop a sense of identity and to forge positive relations with staff and each other.

THE YEAR 7 AND 8 TEAM

All Year 8 students have a small group of teachers who are responsible for their welfare and education. In general, for the core subject areas of English, Humanities, Mathematics and Science, a maximum of two teachers will teach each student in these Key Learning Areas [KLAs]. The Form Teacher is usually one of these teachers, ensuring that your child has daily contact with their form teacher as a class room teacher.

The Year 8 Team is led by the Year 8 Sub School Manager and two Year 8 Co-ordinators. With your child’s classroom teachers, this team meets regularly to discuss curriculum and
administrative details. This also gives the teachers an opportunity to discuss student progress and to plan curriculum and extra curricula activities.

Year 8 Team

STUDENT RESPONSIBILITIES AND PARENT INFORMATION

- **Discipline Policy**
The School has a structured Discipline Policy which is published in the school planner. Copies are available from our website: [www.thornburyhs.vic.edu.au](http://www.thornburyhs.vic.edu.au)
We expect Thornbury High students to behave at all times with courtesy, common sense and consideration for others.

- **Wearing of the Uniform**
All students must wear the correct uniform when going to and from school and on other occasions as directed. The full school uniform requirements are outlined in the school planner.
Sport uniform must be worn during Sport, Physical Education Core and Elective Programs and during Inter School Sport Days and when representing the school.
Hats are only to be worn outside the school buildings.
Uniforms are available for purchase from the Academy Uniform Shop which operates out of the school between 1pm and 2pm [student lunchtime] on Wednesdays. Uniforms may also be bought from Monday to Saturday at the Academy shop at 238 Wolsely Place, Thomastown.
Second hand uniform is also now available for purchase from the school. The shop operates out of the boys sickbay [opposite reception] every Monday 3pm-4pm.

- **Student Planner**
On enrolment, each student will be supplied with a planner. The planner is to be used **exclusively** for school related matters. It is not a personal diary. If not maintained in good condition free of stickers, graffiti and personal annotations, the Planner must be replaced.
The Planner is a very important document and our students are expected to take this to each class and home each night. The planner outlines important information. It contains detailed information on uniform requirements, school policies, rules and consequences, student goals, study plans, the times of classes and other information relevant to our students.
The planner is used to record all HOMEWORK.

Parents are asked to check the planner each night for homework, notes from teachers, etc. The planner can be used as a means of communication to teachers if parents wish to write messages back to the co-ordinator, form teacher or class teacher.

- **Lockers**
All students are issued with a locker. On entry to the school, students are requested to pay a $15 deposit to the General Office where they will be issued with a combination lock. This deposit will be refunded when your child leaves the school at the end of Year 12 or at any other time the student transfers to another school.
Students are required to put their bags in their locker. They are not permitted to carry their bags to class including P.E. classes or at recess and lunchtime. A small bag can be used to take their sport uniform to the gymnasium. This bag will be supplied to Year 7s on their first day at school.

For security reasons, students are not permitted to go to their locker during class time unless they have signed permission in their planner from their classroom teacher.

- **Student Absence**
All students are expected to be punctual and regular in their attendance.
Students are required to maintain a minimum 90% attendance rate at school. If your child is absent for any reason parents are requested to ring your child’s Year Level Co-ordinator in the morning and leave a message on the voice mail. If the student is absent for an extended reason, a doctor’s certificate is required. Dental or doctor appointments should not be made during school time unless absolutely unavoidable.
If your child is away for a lengthy period of time, work can be arranged to be sent home. Please contact your child's Year Level Co-ordinator.

**STUDENT RESPONSIBILITIES AND PARENT INFORMATION**

- **Students Sick at School**
  If a student is unwell at school, the school will contact the parent or guardian before sending the student home. No student is permitted to go home unless the school has contacted the parent or guardian. Students are not permitted to use mobile phones if they are sick to contact parents without permission from a staff member.

  *It is important that when all students are enrolled at the school, emergency phone numbers are given as well as a contact number for the parent/guardian. It is also important that these phone numbers are kept up to date and changes are made with the General Office.*

- **Collecting your Child from School**
  If for any reason you need to collect your child during the school day, please report to the General Office.
  For safety reasons, we cannot allow students to wait for parents in the car park or surrounding areas.

- **Permission to leave the School**
  Students are not permitted to leave the school grounds during the school day without official permission. If it is necessary for a student to leave the school during school hours for any reason, they need to provide a note to their Year Level Co-ordinator and sign the Early Leavers’ Book which is located at the General Office.

- **Contacting the School**
  If you have any enquiries regarding your child's program or progress, please contact your child's Year Level Co-ordinator who will either answer your queries or direct you to the appropriate person. The Year Level Co-ordinator closely monitors all students in their care, so it is important to notify them of anything which may affect your child's progress at school.

- **Teacher Contact**
  Parents are invited to contact teachers. However, if you wish to see a teacher, parents must ring and make an appointment. Please be aware that teachers are not always available as they have classes, meetings and other commitments.

- **Excursions/Sporting Events:**
  All activities which involve students leaving the school grounds require parental/guardian permission in writing. It is the student's responsibility to ensure the appropriate forms are taken home, filled in correctly with all relevant contact numbers, and returned by the due date to the organising teacher. If this is not done, students may miss the opportunity to be involved in the activity/excursion.

- **Canteen**
  The School has a canteen available which provides food to our students. It is open before school as well as at recess and lunchtime. Lunch orders can be placed before school and at recess. Students are not permitted to leave the school grounds at any time to buy their lunch. There is a separate queue for girls.

- **Lockers, Money and Valuables/Mobile Phones etc.**
  Money or valuables should be left at the General Office for safe keeping during the day. The school will not take responsibility for the security of any possessions or valuables not handed to the General Office. Mobile phones should not be used during class time. I-Pods can be used in
class at the classroom teacher’s discretion. Students are not to film/record or take photos on their mobile phones within the school grounds or buildings.

STUDENT RESPONSIBILITIES AND PARENT INFORMATION

- **Legal and Illegal Substances NOT to be used at School**

  Whilst students are at school or travelling to and from school, or attending any school function, or wearing school uniform they are
  - not permitted to have or use any tobacco products.
  - not permitted to use or process, sell or be under the influence of alcoholic beverages, mind altering substances or illegal substances

  The following substances are banned from all School Buildings, grounds and vehicles
  - Chewing Gum
  - Liquid Paper, White Out or other similar substances
  - Permanent markers/textas

- **School Detention**

  An official School Detention runs from 3.10 until 4.00 pm. Students required to attend a school detention will be issued with a detention notice which states the reason for the detention. This notice requires a parent signature.
  If students are late to class, or have not completed homework, they can receive a ten minute detention after school from 3.10 to 3.20 pm. Parents will not be notified in this case unless there is no improvement shown.

  Catch up classes are held on the weekends for students needing to complete CAT’s. Parents are notified in writing.

- **Text Books**

  We are very aware of the cost to our parents in educating their child. We take particular care that we do not have an extensive book list so that we can reduce the cost for our parents. It is important that all our students have the necessary text books for all their subject areas.
  Students will be notified when second hand books are available for sale at the end of the year. After the first week of term one, books will only be available for sale at specific times which will be advertised in the Daily Bulletin.

  Please contact Mrs Jan Wason re the purchase of second hand books on 94804066.
  Booklists can be collected from the General Office.

  Students may hand in their books at the end of the year to sell. We suggest that students take care of their books as this will increase the value of their books when they wish to re sell them - and further reduce the cost of books to parents.

- **Homework**

  Regular homework is given. All homework should be entered in the student planner by the student. Homework can take a number of forms: finishing off class work, revising, completing set tasks, researching, redrafting, homework assignments or completing class assignments and common assessment tasks, practising an instrument and reading.

  A Homework Timetable is issued at the beginning of each semester to all Years 7-9 students.
At Years 7-9 ALL students have set homework each night. This is outlined in the homework timetable.

A Homework Club operates after school twice a week in the Library where assistance in English and Maths is available.

---

**STUDENT RESPONSIBILITIES AND PARENT INFORMATION**

- **Punctuality**

We expect all our students to be punctual to school and class. All students begin the day with a form assembly. Students are expected to be at school by 8.45am so that they can collect their books from their lockers. Students who arrive late on more than 3 occasions will be given a School Detention.

**Student Services**

Thornbury High School has the services of the following:

- Student Wellbeing Co-ordinator
- Adolescent Health Nurse (part time)
• Youth Worker (full time)
• Integration Program
• Literacy Support

The School has a Student Well Being Team which meets regularly to discuss programs for individual and groups of students. This team consists of administration, year level co-ordinators, sub school managers, integration and the personnel listed above.

**Parent Involvement**

At Thornbury High School, we strongly promote the partnership between our parents and staff in providing the best education for each individual child. An important aspect of this partnership is to keep our parents informed about the progress of their child and the events which are occurring in the school. We do this in a variety of ways:

**Parent Newsletter**

The Newsletter is issued three times a term and is either emailed or posted home to each family to inform our parents of the events which are occurring in the school. Please read this newsletter as it will keep you up to date with all important dates and everything that is going on in the school.

**Parent Participation**

There are many ways parents can be more involved in the school's programs. These include many of the committees which operate within the school. Please let us know if you are interested in participating in any of the school's committees. These include:

- School Council and its various sub committees
- Music Parents Association
- Parents and Friends Association
- Community Band
- Sustainability Group

**Education Maintenance Allowance**

Parents on EMA need to be aware of the date that these forms need to be completed and handed in to the General Office. Reminder dates are published in the School Newsletter. Please ring the School’s Business Manager, Mrs Theresa Daly, if you have any queries regarding EMA.

**Assessment and Reporting**

**Reporting to Parents**

Parents are invited to contact their child's Co-ordinator to discuss their child's progress at any time. Teachers may contact the parent, at any time, via the planner, e-mail or by making a phone call to the parent if there is some concern about a student's progress.

There are four occasions throughout the year when there is a more formal reporting of a child's progress. This occurs at the end of each term. At the end of Terms 1 and Term 3, Interim or Progress Reports are issued and Parent Teacher Interviews are conducted. This is an important time for parents to meet class teachers to discuss a child's progress. An end of semester report is issued at the end of Semester 1 and 2. This is a more detailed report.
Assessment and Reporting

● **CAT’s Compulsory Assessment Tasks**

All students in Years 7 to 10 will be provided with a list of Compulsory Assessment Tasks for all core subjects and electives at the beginning of each semester.

Students are expected to complete all CAT’s by the due date at an acceptable standard. Students may be issued with an extension. This is outlined in the procedure below.
Process for submission of Years 7-10 CATs

1. CAT due today. Handed in on time?
   - **YES**
     - Teacher approves 24 hour extension.
     - Work submitted after extension?
       - **YES**
         - **HIGH DISTINCTION**
         - **DISTINCTION**
         - **CREDIT**
         - **SATISFACTORY**
       - **NO**
         - **UNSATISFACTORY**
         - CAT does not meet the minimum acceptable standard
   - **NO**
     - Legitimate excuse? (or medical certificate)
       - **YES**
         - **SATISFACTORY**
         - Maximum grade available after weekend class submission
       - **NO**
         - **NOT SUBMITTED**
         - CAT not submitted even after an extension
   - **LONG TERM ABSENCE**
     - Teacher hands out weekend class letter to student.
     - Student submits work at weekend class?
       - **YES**
         - **SATISFACTORY**
         - Maximum grade available after weekend class submission
       - **NO**
         - **NOT ASSESSED**
         - Long term approved absence by student or teacher
STUDENT ACTIVITIES

The school offers our Junior students the opportunity to be involved in a number of activities throughout their time in the Junior School. These include the following:

- **Inter School Sports**
  The whole school participates in a number of sporting events and students are encouraged to be involved in any of the Thornbury High School’s sport teams. Students interested in a particular sport should attend the information meeting and any practice sessions outside class hours as required by the coach of that team. Parents are most welcome to attend any of the sporting events. Information concerning the times of training sessions is published in the Student Bulletin and on the 7and 8 noticeboards.

- **House Sports**
  All students are allocated a House Team (Blair/Onus/Nicholls/Saunders) and participate in the Swimming and Athletics Carnival days.

- **S.R.C.**
  The School Representative Council is an active body in the school with students participating in decision making processes on important issues relating to students. SRC representatives run year level assemblies and organise events during the school year. The S.R.C. also supports various charities by arranging and taking part in fundraising events.

- **Camps**
  Year 7 students will attend a 3-day Pastoral Camp at Lake Dewar Lodge in Myrniong in the week from May 10th to May 14th. For more information contact Mark Gillies (Year 7/8 Manager).

- **Homework Club**
  The Homework Club commences at 3.10 pm twice per week, for one hour. The Homework Club is supervised by staff who are available to assist students with their work during this time. Details concerning the location and the day when this will occur in 2010 will be available in the Newsletter at the beginning of the school year.

- **Debating**
  Thornbury High School is actively involved in competitions established by the Debating Association of Victoria. The School has for many years had a significant involvement in debating, fielding many teams at different levels with great success.

- **Concert/Stage/Rock Groups/ Music Program**
  Students who learn an instrument can be involved in one of the above groups. These groups perform regularly and attend a Music Camp. For details of Thornbury High School’s Music Program, please contact Kyle Schutz on 9458 6128.

- **Computer Club/Library**
  Computer areas, including the Library Learning Centre, are available to students during lunchtime and recess.

- **Competitions and Special Events**
  Throughout the year, students have the opportunity to participate in a variety of competitions and special events. All students are encouraged to participate in these extra curricula activities as they provide an opportunity for students to practise their abilities in public forums and gain acknowledgment for their talents. These Special Events include:

  - Westpac Competition - Mathematics
  - LOTE Competitions.
  - A Range of Sporting Events
  - Thornbury High Idol
  - Guest Speakers
  - Melbourne Bands Competition
  - Science Competitions
  - School Musical Production/Play
  - Public Speaking
  - Leadership Training
  - Personal Development Days
  - Overseas/Cultural/LOTE Tours.

  Thornbury High School has sister schools – one in China and another in Italy. Camps are organised bi-annually to these destinations. Other overseas trips have included a visit to China and Malaysia and a Music tour of the United States.

The above chart gives an overview of the Year 8 curriculum and indicates the number of periods per fortnight allocated to each subject or Key Learning Area. Each period is for a 72 minute period.

The Performing Arts groups, for those students who wish to learn a musical instrument, will have three periods of Instrumental, Classroom music and Drama throughout the year. Band practice will be after school or before school. The focus in these forms will be on performance through Music and Drama. Classroom Music and Drama will be offered as two periods per week, for one semester each, to students who are not in the Performing Arts forms.

HIGH ACHIEVERS’ PROGRAM

Students selected for this program will be extended in all subjects. Please refer to our school’s brochure titled ‘Acceleration and Enhancement Programs’ for further details concerning our years 7 and 8 High Achievers’ Program. Students will earn their place in the Year 8 High Achiever program based on Year 7 NAPLAN test results, End of Term Reports, teacher recommendation, On-Demand testing, as well as a special High Achievers’ entry exam in Term 4.

Policy on Promotion

We regard the learning and teaching process as a partnership between students, parents and staff. Therefore, we expect our students to actively participate in this process and to take increasing personal responsibility for their own learning. We similarly expect our parent community to support their children both directly, by providing them with appropriate materials, monitoring homework and wide-reading, as well as indirectly, by supporting the school and its policies.

Parents and students should be well aware that promotion of students to a higher year level is not automatic.

Promotion to Year 9 requires

1. Achieve an acceptable work standard
   - Complete all compulsory assessment tasks (CAT’s) to an acceptable standard.
   - Obtain at least an ‘acceptable’ rating for effort as recorded in their reports.

2. Have acceptable attendance
   - Minimum attendance of 90% this means a minimum of 9 days attendance every fortnight.
   - Consistently punctual to class.

3. Demonstrate acceptable behaviour at all times
   - Ongoing commitment to studies and consistent work throughout the year.
   - Obtain at least ‘acceptable’ rating for class behaviour as recorded in their school report.
   - Consideration to be given to number of school detentions and suspensions

Inability to meet Promotion Requirements

If a student does not meet these promotion requirements there are three possible courses of action which will be decided by a panel consisting of the Year 8 Co-ordinators, 7/8 Manager, parents, teachers and student.

1. Promoted to the next year level on a contract which will be reviewed at the end of 5th week. If the conditions of the contract are not met then the student will return to the previous year level.
2. Offered the chance to repeat current year level.
3. Assisted in transferring to another school or alternative setting.
The Year 8 Curriculum

Year 8
English

Curriculum Focus
Students are required to participate in a range of activities designed to extend their abilities in the dimensions of English. These activities include the reading and study of texts, which may include novels, short stories, poetry and newspaper articles; the development of strategies for writing a range of text types; and listening to or producing a range of spoken texts. They should aim to achieve 5.00 Level by the end of the year.

Reading Program: A wide reading program operates for all students in Years 7&8. Reading classes are held in the Learning Centre. All students are encouraged to read extensively at home as a regular part of their English homework.

Compulsory Assessment Tasks:
Semester 1&2

1. Oral Presentation
2. Text Response
3. Writing Folio

Year 8
English as a Second Language

Curriculum Focus
E.S.L (English as a Second Language) is offered to students who have been in Australia fewer than five years and for those students whose education in English has been interrupted due to living overseas for an extended period of time.
The course is designed to help students gain confidence in using the English language and develop their skills in reading, writing, listening and speaking. E.S.L students are encouraged to participate in extra-curricular activities that reinforce the learning of the language.

Compulsory Assessment Tasks:

1. Oral Presentation
2. Text Response
3. Writing Tasks
Year 8
Humanities History & Geography

Semester 1
1. Research Assignment
2. Oral Presentation
3. Evaluation Task

Semester 2
1. Point of view Essay
2. Geography Task

Year 8
Mathematics

Curriculum Focus
The Year 8 Mathematics Program focuses on: Space, Number, Measurement/Chance and Data, Structure and Working Mathematically.

Students are required to keep an organised workbook with all class notes, exercises and homework. Homework should enable students to finish class work, projects and other set tasks. Mathematics homework should be completed according to the homework timetable.

Compulsory Assessment Tasks:
Semester 1 & 2
1. Topic Tests
2. Project
3. Homework Tasks

Year 8
Science

Curriculum Focus
Students investigate chemical reactions, electric circuits and simple machines. They also investigate nutrition, rocks and body systems. They learn about collecting and analysing information, about team work and about applying a scientific method to problem solving. Students will be expected to maintain an organised work book which will record all class activities, notes, diagrams, results and reports of practical investigations.

Compulsory Assessment Tasks:
Semester 1 & 2
1. Research Assignment
2. Practical Report
Year 8
Physical Education, Health & Sport

Curriculum Focus
Sport in Year 8 is a continuation of the Year 7 program which encourages students to develop a range of sport skills, an understanding of the various sport rules and tactics, and an appreciation of the codes of behaviour. Students participate in a range of individual and group activities. All students are expected to change into the full school P.E. uniform and are encouraged to wear sunscreen protection and hats during activities in outdoor areas.
Students may be required to complete written assignments at home.
Sport and physical education activities are aligned with the inter and intra school sporting programs.

Compulsory Assessment Tasks:
Semester 1&2

1. Participation
2. Assignment

Year 8
Languages other than English LOTE

Curriculum Focus
LOTE is offered to students from Years 7 to 12. The course aims to develop the skills of Listening, Speaking, Reading and Writing, as well as the appreciation of the culture of the country of the LOTE.

The languages offered at Thornbury High School are Greek, Indonesian, Italian and Mandarin.

Year 8 LOTE continues with the study of the language and culture of either Italy, Indonesia, Greece or China through themes relevant to young people. Students will participate in a variety of listening, speaking, reading and writing activities as well as taking part in role plays, singing songs and attending cultural events. Further development of students' language skills will occur through the use of computer linked software. At least one ICT generated assignment will be completed each semester. In Year 8 the topics will include Nationalities, Sport, Food, Interests and Pastimes.

Compulsory Assessment Tasks:
Semester 1&2
1. Oral Presentation
2. Writing Task
**Curriculum Focus**

Students will produce a range of practical works which continue to develop the skills in art and design introduced at Year 7. The program combines both art history and practical art.

Students will:
- Explore and develop ideas in sequential and related topics
- Focus on presentation
- Develop skills in Art criticism

These projects combine the elements of design and include both formal and imaginative processes. The Art and Visual Communication disciplines are incorporated into the year’s study and are complimentary to each other. The theory component is delivered throughout the year. It looks at developing an understanding of the place of art works, in particular, cultural and historical contexts.

**Compulsory Assessment Tasks:**

1. Folio
2. Workbook

---

**Year 8 Technology Studies**

**Curriculum Focus**

Students in Year 8 will include Food Technology in their Technology Studies. All students will study Food Technology for one semester and Material Technology Studies in the second semester.

**Material Technology Studies**

Students will use a wide range of techniques, equipment and processes to experience problem solving exercises. They will design and produce a finished product. In class students will:
- Research the information concerning their chosen product
- Design a product
- Produce their design using appropriate techniques
- Evaluate the efficiency of their product and the processes used.

**Compulsory Assessment Tasks:**

1. Production Work
2. Research

**Food Technology**

Students will prepare and cook a variety of foods suitable for particular ages. They will learn to identify environmental and hereditary factors involved in growth and development. Students will be expected to participate in practical and written assignment activities.

**Compulsory Assessment Tasks:**

1. Folio of Work
2. Practical Work
**Year 8**

**Music**

**Curriculum Focus**

Students will participate in practical and theory activities including aural training, composing, improvising, interpreting and analysing works. Students will participate in individual and group activities. Students will be expected to:

- Prepare, select and perform works
- Use appropriate language to describe sounds and to express ideas and feelings
- Show an understanding of the cultural and historical differences in music

Students will be expected to participate in class work and performances. Written assignments are also a requirement of the course.

**Compulsory Assessment Tasks:**

1. Research/Presentation
2. Composition

---

**Year 8**

**Media/Drama**

**Curriculum Focus**

Students will be required to participate in a range of Drama and Media activities, role play, improvisation, video production and film analysis. Students will develop and present their ideas through dramatic performance and video production, demonstrating a range of drama and media skills and techniques.

**Compulsory Assessment Tasks:**

1. Performance
2. Project

---

**Performing Arts Class**

**Music**

Students who are part of the Performing Arts program attend weekly band rehearsals. They are placed in bands appropriate to their ability. The bands have regular opportunities to play in concert settings. Students are expected to practice each day for approximately 20 to 30 minutes, depending on their level of proficiency. Students will continue to learn to play an instrument and use this skill to perform with others in a band situation. **Students participating in this program must study Music Theory and attend a Music Camp.**
