PRINCIPAL’S REPORT

DAREBIN YOUNG CITIZEN OF THE YEAR

Anita Samardzija, Head School Captain at Thornbury High in 2006, has won the Darebin Young Citizen of the Year. This is the third year in a row that a student from Thornbury High has won this award (Kim Nguyen in 2005 and Rein Kivivali in 2006). Anita won the award for her student leadership as well as her active role in raising awareness about the plight of refugees. Following is the nomination statement:

Anita has been enormously influential and popular in the school community. Anita and her parents were refugees from Bosnia. They suffered hardship and were forced to flee the country in 1996. They spoke no English. Anita was the school captain of Preston North East Primary and teachers still talk about her fondly as one of their best captains.

She was involved in the School’s campaign to save Nak Assavetheptavee. Recently Anita flew to Sydney to represent the School as our documentary “Saving Nak” was played in the State Theatre. Anita narrated the documentary and provided a voice over. She was a speaker in the Victorian Youth Constitutional Convention at Parliament House where she argued for a mandatory Human Rights Charter. Her opposition in the Parliament was former Victorian Premier John Cain.

Anita has been a guest speaker at many functions, including a regional convention held at Lalor Secondary College. Anita has been an excellent School Captain and a terrific role model. She has represented the students at School Council, SRC and Information Evenings. She is a great human being, a compassionate selfless and empathetic young lady.

SUCCESSFUL OUTCOMES FOR YEAR 12 STUDENTS

The school is delighted with tertiary offers made to the VCE class of 2006. Every student who applied for a tertiary course has now received an offer from a university or a TAFE College. Over 90% of students received a first round offer and 80% of those offers were their 1st or 2nd preference.

The school assisted a small group of students who did not obtain a place to make direct applications to tertiary institutions. These were all successful.

The students attending university are undertaking studies in a wide range of areas including: Arts, Design, Accounting, Psychology, Criminal Justice, Teaching, Games Design, Social Work, Osteopathy, International Studies and Engineering. While students are studying at all the major universities the largest group is at RMIT University.
The TAFE courses being undertaken are equally varied and include IT, Design, Multimedia, Music Performance, Professional Writing, Graphic Arts, Accounting, and Hospitality Management. We wish them all well for the future!

**SETTING TARGETS FOR 2007**

At the subschool assemblies last week I spoke to all students about the need to set particular targets in order to achieve their goals for 2007. These targets included:

- **Attendance** – Regular attendance is one of the most crucial habits if students are going to reach their academic potential. One of the reasons for the significant improvement in our VCE results is the outstanding attendance at this level. I have set students the challenging target of a maximum of four days absences for the year.

- **Effective use of class time** – Most learning occurs in class time, therefore it is important that students use this time in the most effective way. I have set a student target of no ‘teacher detentions’ for wasting class time this year.

- **Work satisfactorily completed** – Student should be aiming to complete all work to an acceptable standard.

- **Participation outside the classroom** – I expect all students to participate in at least one activity beyond the classroom. These activities could be sport, band, leadership, coaching, competitions, etc.

- **Homework** – All students are expected to complete a minimum but manageable amount of homework ranging from 30mins a night at year 7 to up to 3 hours a night at year 12.

The key to meeting these targets is to develop strategies with the help of teachers and parents. I look forward to celebrating the achievement of all our students during 2007.

**MOBILE PHONES**

Students are not permitted to use their mobile phones in the classroom. All mobile phones should be locked in the locker for the school day. If a parent needs to contact a student for any reason, please phone the school and a co-ordinator will notify the student. Under no circumstances is a student to ring home sick unless they have spoken to a co-ordinator, a staff member or a member of the administration first.

**I-PODS ETC**

The use of I-Pods within the classroom is at the discretion of the class room teacher. However, parents and students are reminded that the school is not responsible for any theft or damage to these expensive items. If students bring any valuable item to school, they do so at their own risk.

**OPEN LETTER TO PARENTS**

If we are to maintain the quality facilities and programs we have at Thornbury High School, we need to have all families contributing to our school via payments of charges and contributions. Whilst most staffing and basic items are provided for through government funding, we need parent support through the realistic charges School Council has set. If we want our school to remain as one of the highly sought after high performing schools in the area and for your children to access programs, facilities and resources that will provide them with the best opportunity to achieve their best, your financial
contribution to your child’s education is imperative!
If you have any issue with this, please do not hesitate
to make a time to speak to the Business
Manager/Assistant Principal/Principal.

LEADING SCHOOLS 2007

Week 1 saw the Year 9 students commence their
Leading Schools program. The focus for term 1 will
be ‘self’ or ‘Being a Teen is a Dream’. We will be
developing co-operative learning skills, setting
learning goals, creating digital portfolios and
introducing ‘Habits of Mind’ in the first month.
Students will study English, Humanities and Personal
Development’ in their Leading Schools classes. The
Leading Schools Team consists of Ms McCarthy, Ms
Carydis, Mr Lee, Ms Ryan and Ms Stafford.
The library refurbishment is almost complete and we
are looking forward to moving to the new Centre in
the next couple of weeks.

Some student reflections on the first week:
‘So far we have found out how adults see teenagers
and also how we see ourselves and the outcome of that
was really interesting. Leading Schools is a whole
new way of teaching and learning.’ (Nathan)
‘I liked the orientation program with the dancing, games and creativity. I think Leading Schools may be a new way of teaching us as teenagers and could be fun and exciting to try something new.’ (Chloe)

‘Leading Schools is a great new way of learning. I have enjoyed the things we have done so far and I am looking forward to the things we are to do.’ (Sarah)

‘It was fun, energetic getting together and mixing in groups with others. It’s a different way of learning.’ (Ms Ryan’s Tutor Group)

A reminder: deposits for the Year 9 Camp and City Centre Experience are now due. The $25 deposit for the City Centre and $50 deposit for the camp to Lake Victoria on the Gippsland Lakes on 21 - 23 March are required as soon as possible.

MIDDLE SCHOOL NEWS

All students in the Middle School have settled in well and the Middle School team looks forward to working together with students and parents in 2007. All students have received their school planners and lockers and have begun their studies in earnest.

This year the Middle School Co-ordinators are Carmel Ryan (9/10 Manager), Mark Gillies (Year 10 Co-ordinator) and Lyndal Roper (Year 9 Co-ordinator). There is somebody available in the 9/10 office from about 8.15 each morning if you need to contact a Middle School Co-ordinator.

A number of new students have enrolled in the Middle School this year and we welcome them to Thornbury High School. In year 9 Pravena Beeskov, Shaimis Makiri and Christian Garbrah have enrolled. In Year 10 we welcome Shariz Shafeer, Bethany Joss, Mohomed Shetata and Lakshana Fernando.

IMMUNISATION

All year 10 students have been issued with an immunisation form for tetanus, diphtheria and whooping cough. Even if your child is not having this vaccination, the form must be returned and filled in in the appropriate section on the back of the card.

All year 10 girls will also be receiving the three injections over the course of the year for cervical cancer. These forms will be distributed as soon as we receive them.

TAX FILE FORMS

Year 9 and 10 students who are eligible to apply for a tax file number have been given the forms to fill out. All completed forms must be handed in to Miss Ryan by February 12th so that they can be processed and sent to the Tax office. There is a change in the regulations this year and all students who were born in Australia must supply their birth certificate details. When your child receives their tax file number please store it in a safe place. If a number is lost or forgotten, you will need to contact the tax office, not the school.

LOCKERS

All students have been issued with a locker. A reminder to all students that they should not advertise their combination number. If they have forgotten their number, a copy of the combination number is held in the Co-ordinator’s office.

PROMOTION POLICY

Parents are reminded that a copy of the school’s Promotion policy is published in the school’s planner. All students have been reminded of the policy at the Sub School assembly on Thursday, the first day of school.

Students on contract will have their contracts reviewed at the end of week 5, term one.

UNIFORM

The majority of the students in years 9 and 10 are in full school uniform and this is pleasing to see. However, there are a small number of students who are not wearing the correct shoes. Students will be issued with detentions if they are not wearing the correct uniform, including shoes. Parents can contact the co-ordinator if there is a problem regarding school uniform. Students must wear the full school uniform from the time they leave home until they arrive home from school.

SCHOOL COUNCIL ELECTIONS
The School Council election process is now underway. Nominations for Council are called for and close Friday 16th February. Nomination forms were posted to all parents/guardians at the beginning of the school year.

SHOCK! WORLD FIRST! STUDENT DOES HOMEWORK WITHOUT BEING ASKED!

In an amazing world first today, a Year 10 student was discovered doing homework without first being asked by his parents. His shocked parents, Mr and Mrs Pippingale from Aspendale, are receiving trauma debriefing tonight.

Young People Say How Much Homework They Should Do

In a survey of young people, 52% believe students should do homework on weekends. The amount of homework they expected to do on an average weekday was:

- Primary school: 20 minutes
- Year 7: 45 minutes
- Year 8: 60 minutes
- Year 9: 1 hour 15 minutes
- Year 10: 1 hour 30 minutes
- Year 11: 2 hours 15 minutes
- Year 12: 3 hours

Be warned, however. Young people aren't convinced that Friday is a weekday. They aren't too sure about Monday either.

NO SET RULE. Scammers today are at the point of isolating the factors that allow some teenagers to study with the screens blaring, the television on, and the radio in the background, while others need total silence.

Mr Gardner of Mount Pleasant developed a cunning scheme. After years of trying to encourage my teenagers to do homework, and failing, I decided to change my way of approaching the issue, he said. ‘Each evening began with me interrogating my teenagers with “ Haven't you got any homework to do?” to which the unwavering reply was always in the negative.

‘Discussions about homework often ended up either as arguments or with me doing the homework myself. I was appalled that my brilliant assignment on pioneers of Australia didn't score better and was almost at the point of calling the teacher to demand a re-mark before I realised that the wrong person was worrying about the homework.

‘The first thing I did was ban homework after eight-thirty at night and told them that they had from dinnertime till eight-thirty to do anything they needed to do. The TV stays off during that time and I don't say a word. At first they thought I was joking but I said, “No, if you want to fail I won't be round to support you and I've got better things to do than worry about your future.”'

'I've taken to collecting travel catalogues and I read and plan desirable holidays during these quiet hours. My teenagers were incensed at my careless attitude and called me irresponsible. It took weeks before any effect was noticeable and I was beginning to feel irresponsible but the parent-teacher night dispelled my fears.

'My teenagers do the homework and I get to be a parent, not a teacher.'
I, ___________________________the parent/guardian of _______________________, acknowledge that photographic, video and audio recordings of students are used as part of normal school activities and I authorise the use or reproduction of any such recording by Thornbury High School without being entitled to remuneration.

I understand and agree that if I wish to withdraw this authorisation, it will be my responsibility to inform the principal of Thornbury High School.
