### GRASSROOTS GOLD FOR FERGUS NEAL

Congratulations to Fergus Neal in Year 8 who recently received The Grassroots Gold Award from the Northcote Leader Newspaper. In 2009 Fergus approached the Parkside Football club to play for an under 14 team. The club said if he could find 15 players by November 30th 2009 he could have a team, so Fergus set about creating one. He asked friends and put advertisements in school newsletters inviting boys to come and play.

His first goal was to create a team and they now have nineteen registered players. His second goal was for his team to win their first game which they did two weeks ago against Camberwell.

But Fergus didn’t stop there. He heard about an award of $1000 the Leader Newspaper was offering to sports clubs. He went onto their website and in 100 words explained why his club needed that $1000.

Fergus, through his community spirit and personal drive, created an under 14 team and provided eight brand new Sherrin footballs purchased with the money from The Grassroots Gold Award.

Fergus would like to thank Malcolm White who was President of the Parkside Junior Football Club in 2009 and his coaches this year Tom and Steve for their support.

Anne Herschell  Year 8 Coordinator

### PRINCIPAL’S REPORT

It is hard to believe that term 2 is nearly over and that Peter Egeberg will be back on home soil in a matter of days. I must admit we have heard very little from him over the past week. He is obviously having too much fun!!!!

Peter spent a week in New York and then travelled across to England for a conference and some sightseeing, Paris and then home.

More importantly, we are all still in cold Melbourne and have
been not been idle with our time. Here are but some of the highlights over the past 3 weeks:

- I had the absolute pleasure of sitting back and soaking in the wonderful music performed by our students at the midyear concert.
- Our Year 10, 11 and 12 students completed midyear exams.
- Our Year 9 students spent time completing their work in the City.
- Our Year 10 students have completed or are completing work experience.
- The Year 8 SRC is overseeing the iPod ban evaluation with both staff and students. The outcome will be in the next newsletter.
- The staff have corrected work and then completed midyear reports including the student’s personal learning goals.
- Year 8 and 7 have attended sport days and represented the school and themselves admirably. In many instances they were coached by senior students.
- The School Community Connections sub-committee of the School Council met with parents from Years 7-11 to discuss results from the 2009 parent survey. Feedback will be in the next newsletter.

As this is my last newsletter article as Acting Principal, I would like to thank the students, parents and staff for all their wonderful support whilst Peter has been away. It never ceases to amaze me how supportive the Thornbury High community is to one another.

Lastly, a special thanks to Simon Townley who has been Acting Assistant Principal for this term. He has done an amazing job ensuring that the school has run smoothly and supporting both myself and the leadership team.

Happy holidays to all.

Meredith Stephenson  Acting Principal

ASSISTANT PRINCIPAL’S REPORT

Over the past few weeks we have been busy improving the school's facilities, including installing 3 new split systems in the art, science and Year 12 areas, acquiring a container for our brand new exam desks and adding new bark to the areas under the sails. We have also had surveyors in school to prepare for the sale of a small, unusable part of our land.

As you know doubt know, Mr Egeberg is returning from leave next term so over the holidays we will be paving the entrance road from Matisi Street and filling in some of the pot holes around the car park, painting and repairing all outdoor furniture, cleaning of all concrete pathways of chewing gum and general dirt. Let’s hope he appreciates the effort when he gets back!

With uniform, I still need to remind students and parents of two aspects of the school rules, namely:
1. Black tights OR white socks, not both
2. Thornbury High School jackets only

Also, now the weather is wetter, if parents are having trouble drying articles of clothing send them to school and we will dry them for you. The articles are to be bought to Mrs Stephenson before 8:30 am.

Lastly, as Mr Egeberg is returning it means my time as Acting Assistant Principal is coming to an end. I have enjoyed this term immensely and would like to thank all the students, parents and staff for their support and guidance. It has been a real privilege to be part of the school’s leadership team and to work with the wider Thornbury community.

Simon Townley  Acting Assistant Principal

MIDDLE SCHOOL NEWS

YEAR 9 URBAN WEEK

On the 7th of June 9D and 9E went to the city for a week and researched a topic. We did a lot more than that though. On the first day, we went to SYN FM, did a Tram Explore and started our research. At SYN FM we made a radio segment. On Tram Explore we had to find two famous buildings that were on tram routes. That was really interesting, because the group as to cooperate. The next day we had REACH come to us. It was little weird and very emotional at the end. Fitness First was really hard but fun as we had to lift weights.

On the third day we went to the Big Issue. The Big Issue is a magazine that helps homeless people get back on track. On the fourth day we had the amazing Race. That was really fun and just like the show (almost). On the last day we went to ACMI and Queen Victoria Market. At ACMI we made a small film that
lasted for about five minutes. That was fun. At the market we surveyed people and looked around. The last day was an out of uniform day. We researched every day and that was going up to the public and asking them our questions. We took lots of photos. It was a really amazing week and I wish I could go again.

**Krystal Reynolds 9D**

Throughout the week, I did lots of fun and beneficial activities. Some were, Tram Explore, Amazing Race, Workshops like REACH and Urban Seed. Urban Week is an awesome program which is helpful for us. My team and I found out how we worked together in a team. One of the most challenging things for us was researching and surveying people. It was fun using the city to find out more about our topic (transport).

**Phuc Huynh 9D**

The best part of going to the city for Urban Week was how the teachers gave us freedom and responsibility and trusted us. I also really enjoyed the session at Fitness First, the bathrooms were amazing.

**Zaenib Al Saeedi 9D**

**YEAR 10 WORK EXPERIENCE**

Year 10 Work Experience was very successful and students enjoyed the experience gaining much knowledge of the workforce. Ms Gill’s hard work and persistence paid off and we would like to thank her for all her hard work and many hours organising all the paperwork and helping some students with their placements. Teachers visited most students and were very proud to hear how well mannered and what great citizens our students are.

**Some Student reflections about their work experience:**

*Work experience taught me that anything is possible.*

**Ben**

Work experience was a great opportunity for me to decide what I want to do in the future. I know I enjoyed working with computers and now I know that programming is the way to go.

**Daniel**

Work experience gave me an insight into engineering and what I could do in the future. It was a great experience.

**Lukman**

The Middle School Team would like to wish all students and their families a safe and restful break.

**Middle School Team**

**SPORTS NEWS**

It’s been a massive term two in the sport department….. is it that THS is naturally gifted at winter games, maybe it’s our expert coaches or is it the new look uniforms that have been the reason behind such a successful term???? Over 400 students have represented THS in various sports in the past two months. A special mention must go out to the staff and senior students who have given up their time to coach and go out with all of our teams, without them the Sport Department would not be able to function.

We started with Athletics, after taking out the District championships we have a school record of eight State Athletics Representatives to compete in term 4. Mr Williams took seven eager students to the Metro Golf Championships at the Growling Frog Golf Course, from this day both **Emilia** and **Komang Pertama** went on to play at the State Finals.

We sent our best 19 long distance runners to the Zone Cross Country in Heidelberg. Competing against over 30 schools, our **Yr 7 Girls** and **Yr 7 Boys** both finished 3rd in the teams event and congratulations to **Stella Radford** who took home the gold medal for the girls 15years 3km run.

After all this excitement we still had to compete in the year level Carnival Days. We sent VCE teams out for Basketball, Soccer and Netball. Yr 9/10, Yr8 and Yr7 all had boys and girls teams for Netball, Soccer, Football and Badminton. The 9/10 boys soccer team ended up in a penalty shootout in the final with Ruthven and were lucky to come out on top 4-3. The year 7 Girls soccer team also made it through to the final against Northcote and were eventual winners finishing 3-2 in overtime. An outstanding effort by **Eleni Fakos** who not only scored the winning goal,
but scored five goals for the day! Both these teams will compete in the Zone Final in Term 3.

Carl Ruhe  Sport Coordinator

YEAR 9/10 FOOTY REPORT
The year 9/10 footy team [pictured below] gave it their all in the four games that they played at the local tournament in freezing cold conditions. They won against Reservoir and Lakeside, but were outclassed by Northcote and ran out of legs against Mill Park. The boys showed excellent sportsmanship and their behaviour was admirable. Highlights were:
- Rikki Mason’s two attempted hangers
- The Jye Brennan/ David Worthington/ Jordan Lucas combination in the centre
- Yianni trying to play ruck
- Jake Walker kicking about 500 goals in forward pocket
- Ga-Yin Tam and Brandon Walters running all day on the wing
- Nathan ‘Didak’ Di Vito, Jordan Lucas, David Worthington and Brandon Walters each kicking a bunch of goals

Best on ground: David Worthington, Jordan Lucas, Jye Brennan, Jake Walker, Rikki Mason, Brandon Walters, Nathan Di Vito.

SENIOR SCHOOL NEWS
Congratulations to all students who have successfully completed Unit 1 and 3. This week letters were mailed out inviting all parents of Year 11 and 12 students to attend the VCE/VCAL Parent Teacher Interviews on Thursday July 15th, between 5.00pm and 7.30pm. Please ensure that you make appointments with all teachers to discuss your child’s progress so far and options for Semester Two.

During the term break we encourage all students to start revising work, making summary notes and preparing for the November exams. A reminder that Open Days are advertised and we encourage Year 11 and 12 students to attend.

The year 11/12 Formal is soon approaching. The formal committee with Ms. Farmakis’ guidance have been busily working on seating plans, music, and decorations. All that remains now is for all students and staff attending to organise outfits, masks and final payment.

On August 2nd, 2010 we invite all Year 12 parents and students to attend the VTAC Information Night. This is an important information session for all Year 12 students who plan to continue with Tertiary Studies. A formal invitation will be mailed home early next term with week specific details and a reply slip to be completed and returned. We look forward to seeing you on the night.

To all our students we wish you an enjoyable break. Ensure you use your time effectively, incorporating study time in what no doubt will be a busy schedule.

THINGS TO DO OVER THE HOLIDAYS
Sitting there, nothing to do, watching the hours go by day after day. Hell, you’d be better off at school!

Sound familiar? This is how a lot of students feel on their holidays. But rest assured, there are plenty of activities that one can do on the holidays to make them enjoyable. Melbourne is a great city that provides more than enough entertainment for two weeks; grab a friend and go to Luna Park in St Kilda, have a relaxing picnic at Bundoora Park or go to the Melbourne Museum for a day of discovery?

If going to the city isn’t for you, finding a hobby is also a good way to relax and unwind. You could start learning an instrument these holidays, knit a jumper or scarf, join a jogging group or get into astronomy; the options are endless. Holidays are a time for something different from the droning grind of school, so don’t waste them sitting at home doing nothing. Relax,
unwind, enjoy your holidays and come back fresh and ready for term 3.

Michael Amato  School Captain

BOOK WEEK

Book Week is August 20-27, and we’ll be celebrating with a dress-up day. There are two themes: Alice in Wonderland, and Cosplay (come as your favourite anime or manga character). We hope that the whole school will get involved, so get out the Janome and start on those costumes.

MISSING BOOKS
If you find any of our library books at home in the holidays please return them ASAP. The books you have are needed by other customers.

15TH ANNUAL WOMEN OF NOTE MENTOR BREAKFAST

On the 21st of May Alex, Renee, Kristin and Olivia of year 11 attended the 15th Annual Women of Note Mentor Breakfast. We arrived at the ANZ Pavilion at the Arts Centre by taxi for an early start at 7 am.

Every year Women of Note, brings some 100 women who have made a variety of contributions to the community together with 100 Year 11 students to enable the young women to:
- Experience a high profile event.
- Hear an inspirational speaker.
- Make valuable contacts at a time when they are faced with important choices about their future.

This year was our turn. It gave us an opportunity to speak to women in the career path of our choice. The mentors gave us an understanding of what we have to do to pursue our career options. Each of us sat on separate tables, depending on our choice of career. The Guest speaker was Louise Cannon, an ex teacher who decided to make a career change and became a firefighter working in a male dominated profession.

As for us and our future goals:

Renee wants to pursue a career in primary school teaching.

“I met with Lorraine, who had spent many years teaching in a primary school. She gave me some very helpful advice on how to go about becoming a primary school teacher.”

Alex wishes to work in the music industry.

“I met somebody who wants to work in the music industry like I do and who is also a drummer. We have a similar taste in music and have kept in contact since. I found this breakfast really beneficial”

Kristin is unsure of her choice in career.

“I met with people who also didn’t know what they wanted to do. We discussed potential ideas and the many possible fields to go into. The breakfast was very nice.”

Olivia would like to continue with fashion once she finishes school.

“I met with two fashion designers who helped me out with decisions to make. They both helped me with what possible courses I could take and how to go about starting my own clothing line.”

Overall, the breakfast was very productive and very beneficial for all participants.

Alex Czarnecki- Roper, Renee Glanville, Olivia Naumov and Kristin Winiata (Year 11)

WORK EXPERIENCE We would like to take this opportunity to thank parents for their support during the recent Work Experience Program. Whilst it was a short work placement, staff who had the opportunity to visit students at their place of employment returned to the school with many positive reports from employers.

OPEN DAYS for Tertiary Institutions are held in Term 3. This is a busy time for students to gain information about courses and to find out which university is right for them. A list of Open Day dates is available from the Careers Office.

P.A.R.T.Y
On Thursday the 17 of June, 30 students from year 10 got the opportunity to take part in the Alfred Hospital’s P.A.R.T.Y (Preventing Alcohol and Risk Related Trauma in Youth) program. It was a great experience! The aim of the day was to try and get us all to learn about the horrible things that can happen when you make last minute and risky decisions- as well as the effect that this can have on others like your family and friends.

On the day we were taken on a few tours of the hospital and were allowed to visit a female patient in ICU. The patient was 25 years old and had been in a serious car accident that meant she was in a coma. The accident was caused because of a drunk driver.

Overall the day was quite emotional. We believe that everyone that took part in this experience would have learnt something about making better decisions.
