**ASSISTANT PRINCIPAL’S REPORT**

**A NEW SCHOOL FOR THORNBURY HIGH**

Recently the school interviewed three architects and we selected Taylor Oppenheimer to complete a master plan. This company is currently working on the Charles Latrobe site in West Heidelberg and has built the Monash Science School and the new prep to year 9 school in Broadmeadows.

We selected this architect because we felt he would work with the school community and listen to their ideas for a new school.

The new master plan will cater for a student population of 1100 students and will be completed by late February while new buildings will start in late 2011.

The Master Planning Committee consists of staff, students and parents. We are currently looking for a parent representative and would encourage any interested parties to contact the school.

The land at the back of the school along Flinders Street has been surveyed and is ready for sale.

State Athletics Final 2010: Nine THS students competed including Helen 7D [1500 metre race] and Adam 7G [javelin & 3000 metre walk]. For a full sports report see page 2.
END OF YEAR ARRANGEMENTS

There will be some change to the program for students towards the end of the school year.
- For students in Years 7 - 9 a new program will operate from Monday 6th December until Monday 13th December. All students will advance to the next year level and will begin work appropriate for that level. For example, Year 7 students will become Year 8 students and the Year 8 class work will commence. All students must be in attendance for this program.
- Following their exams on 25th and 26th November, the Year 10 students will have 2 days of Orientation to Year 11 on Monday 29th and Tuesday 30th November. Year 10 students have been given their end of year exam timetable and Orientation Program timetable.
- Course confirmation day for year 10 into 11 is to be held on Thursday 2nd December in the Senior Common Room. Detailed information concerning this day is being mailed out this week.
- Friday 3rd December is report writing day for staff and students are not required at school.
- The school picnic day will be held on Friday 10th December at Luna Park. Permission forms have been given to students earlier this week.
- Students will be given their end of year report following a final school assembly on Monday 13th December. Students will be dismissed at 1.09pm

FUTURE SHOTS

8G recently produced a video about Waterwatch on the Darebin Creek for the annual “Future Shots” Sustainability Challenge.
As expected, their presentation was both professional and informative. Competition results will be published later in the year.

SPORT REPORT

What a huge year on the track, in the pool and on the field. Thornbury High did it all in 2010.....State Swimming Finals, Nicholls winning the Athletics Carnival again and THS taking out the District Athletics for the second year in a row. We had junior and senior State Golf representatives, students representing Victoria in soccer, cricket, weightlifting, tennis and football. Not to mention our nine students who competed at the State Athletics Championships at Olympic Park. This success continued to roll into term four. Our Yr 8 Boys and Yr 7 Girls Futsal teams beat every opposition that dared to take them on and each of the Indoor Cricket teams, that took to the pitch for THS, came away on top.

The Sport Department would like to thank all staff and students who competed, coached, umpired and assisted throughout the year and we’re looking forward to an even bigger, faster, stronger 2011.

Carla Ruhe, Sport Co-ordinator.

INSTRUMENTAL MUSIC NEWS

INSTRUMENTAL MUSIC

What a huge year it has been in the Music Department! I want to talk you through some fantastic achievements:
- Term 2 Chamber Concert and the level of professionalism shown by students;
- Mid-Year Concert to a packed Kaye Coghlan audience;
- Hugely successful Senior Music Tour to Tasmania with our Senior Concert Band and newly formed Guitar Ensemble;

Harish of 8G with his Major Bursary – a very nice medallion and a cheque
Success of Year 7 and 8 Music Camp and concert at Yarra Junction;

Melbourne Bands Festival success: Year 8 Band literally “Outstanding” and Senior Concert Band earning a Silver Shield;

The Grease musical with a number of students in the band

Second Chamber concert / VCE soiree

End of Year Concert at the Furlan Club (again to a capacity audience)

Finishing the year off on State Election Day this Saturday 27th November with a concert, car boot, BBQ and cake stall.

Of course none of these would be possible without our wonderful Instrumental Music Staff - Diana, Jane, Marc, Sean, Nick and Craig and classroom teacher Lance. Other helpers in the Department this year have included Zac Lister (Intern), John Beckley (Teacher Candidate). Pre-service teachers Fionn O’Sullivan, Nicko Morganlowe and Maurizio Gulina, all of whom went above and beyond what was expected of them. All of us wish you the best of luck with your teaching careers.

YEAR 7 INSTRUMENTAL MUSIC TRIALS
Last Thursday 18th November the Year 7s of 2011 came to THS to try the instruments we have on offer here. The afternoon was very well received and I am very much looking forward to having these students involved in the program next year. Many thanks go to the Music Parents Group for supplying the BBQ.

“GLEE” VOCAL GROUP
Last Friday we had our first vocal rehearsal for the new vocal group. Rehearsals are on at lunchtimes, either Thursdays or Fridays (always published in the bulletin). Come along for a sing even if you think you’re no good.

ELECTION DAY CONCERT
As you should all know, on Saturday November 27 we are holding a car boot sale, concert, BBQ and cake stall. THS is well known for its short queues to vote so come on down, grab an egg and bacon roll, vote, check out some bargain shopping and some great local music. This day has been in the making for a long time. Students please make a special effort to ensure you are there when your group is performing!
11:00 Junior Jazz, Celtic Band, Year 7 Band
12:00 Year 8, Senior Concert, The Conch

MUSIC PARENTS GROUP
Thank you so much to all the helpers in the Music Parents group in 2010. You have helped to ensure the Music Dept. will continue to run smoothly into the future, not only fundraising, but lifting the profile of music within the community.

What a fantastic meeting we had last Tuesday. We even had to change to a larger room to fit everyone in. We are always after more members though, so please come on down. Our next meeting will be in 2011 on Tuesday March 1st at 7:00pm in the Music room.

REMINDERS TO PARENTS
- All hired instruments are due back this coming Tuesday 30th November
- There are only Glee, Junior Stage Band and Celtic Band rehearsals from now. All other groups will start back in 2011.
- Junior Stage Band will be performing at the Awards Night.
- Any families considering purchasing a new or 2nd hand instrument please consult with Instrumental Teachers first. We are all willing to offer advice to save you money and ensure you purchase the correct instrument.
- Private tuition of piano and guitar for 2011 can be arranged with me this year. Please see me for more information.

REMINDER TO STUDENTS: Practise!
See you all next year
Kyle Schutz  Music Coordinator

SENIOR SCHOOL NEWS

SENIOR SCHOOL ORIENTATION
This week our Year 11 students started Year 12 classes. Many subjects have set homework including the preparation of School Assessed SACs. We encourage students to purchase their text books early, and start reading their novels.

Year 10 students will begin their Orientation Programme next week.

We wish to remind all that Orientation is compulsory and students must attend all classes. Their programme will be finalised when they come in on Course Confirmation Day.

YEAR 11 PASTORAL CARE CAMP 2011
We wish to thank the parents who responded to the Queensland Survey earlier this semester. The majority of parents who responded expressed interest in investigating the cost of flying to Queensland. We have investigated prices and are pleased at the prospect of flying to Queensland for a similar price. Information will be distributed to students this week.

Senior School Team [Mary Anagnostopoulos, Christine Farmakis, Maria Ioannidis]
DRAMA NEWS

Congratulations to the VCE year 11 Drama class who recently performed their ensemble and solo productions for family and friends. It was a successful night for all students who performed self-devised works around the themes of ‘A Fantasy World’, ‘The Stereotype’, and ‘A Shakespearian Character’.

VCE Photography, Art and Multimedia works were also exhibited on the night and I would like to congratulate those students on the exceptional quality of their work.

In other news, the Thornbury VCE Drama Club is soon to announce the cast for their upcoming production of “The Breakfast Club”, due early in 2011.

The 2011 school production is yet to be decided and I am taking suggestions from all students. If you have a suggestion for the 2011 production, please write it on a piece of paper and put it in the ‘suggestion box’ at the General Office.

Emma Mcculloch

MEDIA NEWS

It is with great sadness that the Thornbury Media Department is saying goodbye to our long-time dedicated media teacher Paul Van Eeden.

As co-founder of Syn FM and Thornbury’s Class TV and ClassNet, Paul’s enthusiasm for youth-driven media has helped to establish some of the most innovative education programs.

Paul has encouraged students to take control of the media, giving them a platform to voice their otherwise unheard opinions on youth issues and education.

Paul has also been an incredible mentor to me over the past four years and his guidance and support has helped me to overcome many challenges (especially some crazy year 8 Media classes!)

We wish him all the very best at Coburg Senior High School. Paul, we will miss you!

In other news, the Media Department lecture theatre is almost completed and work has begun on soundproofing the TV studio.

We all look forward to an exciting 2011, hopefully with some Coburg-Thornbury collaborative projects!

Emma Mcculloch

LIBRARY NEWS

We’re starting our annual stock take soon, so all loans need to be returned ASAP (no later than December 2).

BUDDIES R US

School Council is looking for interested parents/carers of Year 7 and 8 students to become buddies to new 2011 Year 7 parents/carers.

Yes – even big people need a buddy sometimes! This innovative project is being established by the Thornbury High School Community Connections Sub-Committee to support and assist new parents/carers with the transition from primary school and to promote closer community connections within the school.

If your child is in either Year 7 or Year 8, you, with your recent experience of transition from primary school, could be an ideal person to get involved and be part of this volunteer group.

All enquiries about becoming a buddy should firstly be directed to the school on 9480 4066 or by emailing thornbury.hs@edumail.vic.gov.au The fabulous office staff will then forward your details to us for reply.

We look forward to meeting you, buddy.

Meredith Gill  Careers Coordinator/ VASS

At Thornbury High School student wellbeing is premised on the notion that each student has the right to enjoy a safe and secure learning environment as well as have access to appropriate support and information relating to their mental and physical wellbeing.

2010 has been a busy year for our dedicated Student Wellbeing team. Throughout the year students and families of Thornbury High School have been supported through issues and concerns relating to:

- Mental Health
- Emotional Wellbeing (building resilience)
- Attendance and school engagement
- Grief and loss
- Transport/School Uniform support
- Sexual Health
- Relationships (Friendships, family breakdown)
- Self esteem and body image
- Bullying

The Wellbeing team has also assisted families by creating supportive links with appropriate local agencies such as Austin CAMHS, Darebin Community Health, Kildonnan Family Services. In 2011 we will strengthen our service delivery by working closely with OnPsych, a professional group of Psychologists and mental health professionals who may provide students with free of charge counselling (referrals to this service will be subject to GP/Medicare approval).

Working closely with the school’s wonderful P.E Department and P.D staff, this year’s Wellbeing team hosted a range of exciting and early intervention programs and events:

- Year 8 “Healthy Mind, Healthy Body Day”; an all day event aimed at fostering physical and emotional wellbeing. Students get to try a range of fun and physical activities like hip-hop dance, yoga and Spanish martial arts.
- Year 9 “Party Safe Day”; an all day event that aims to provide every year 9 students with information about young people and the law, rights and responsibilities when ‘out and about’ with mates, safe sex and making safe and healthy decisions around drugs and alcohol.
- National Youth Week; held in Term 2 of this year, National Youth Week was a week-long event that provided students with fun and informative workshops during recess and lunch. With help from local Northland Youth Centre youth workers, students enjoyed a jam-packed week!
- Year 8 Boys’ and Girls’ Groups; these 8 week programs cover a range of age appropriate issues such as body image and self esteem, healthy relationships and managing anger. With fun excursions like rock climbing and laser tag war,
these groups are a great way for students to make new friends and try new things!

- **“Up Start” Breakfast Club**: now in its second year of operation “Up Start” provides FREE breakfast to students every Monday, Wednesday and Friday morning from 8am-8:45am. But it’s more than just a place to eat some yummy homemade brekky- it is a place for students to connect with others and build friendships! This year “Up Start” was exclusively run by the following dedicated members of our school community: **Parents**: Susan Iovenetti, Arienne Delessert, Rebecca Gray and Joanna Meighan  
**Students**: Curtis Sanderson (9D), Dean Iovenetti(9D)  
**Staff**: Jenny Hutchinson, Ms. Flint and Mr. Polwarth

**BOYS’ GROUP, TERM 3 2010**

Held during Term 3 of this year, the Year 8 Boys Group saw 15 students participate in a range of fun and informative workshops, enjoying activities like rock climbing and laser tag war! This year’s group focused on anger management; students discussed that feeling angry is natural and is a ‘normal’ emotion like happiness and joy- but it’s what we do when we’re angry that can turn ANGER into DANGER.

Students explored techniques and strategies that we can all use to express our anger in safe and healthy ways. Here are some tips from this year’s students:

- **“Don’t sweat the small stuff”**= we all get ‘revved up’ about different things throughout life, so it is important to put things (problems) into perspective. Ask yourself: *Is this really worth losing my cool over?*

- **“Time out before you freak out!”**= avoiding a confrontation in the first place is the best way to minimise your chances of losing your cool. Remove yourself from the situation; take a deep breath and walk away. Find a comfortable place to relax and gather your thoughts.

- **“No-one wins in a screaming match”**= arguing and raising your voice might feel like a good way to communicate your emotions. However, this usually results in a screaming match where no-one is actually being heard! Try to control the tone and volume of your voice; if you keep calm the other person will find they are yelling on their own and may eventually calm down too.

- **“Swap a wall for a pillow”**= when some people get ‘revved up’ they describe feeling ‘out of control’ and may use violence to express their anger. It is NEVER ok to use violence against someone to express your anger. It is NOT OK to damage property or objects to express your anger. Consequences for this kind of behaviour are serious and may include criminal charges. So if you feel ‘revved up’ and feel the need to release this in a physical way, do it SAFELY; punch or scream into a pillow or your mattress, grab a towel and wring it with all your strength.

- **“Move it before you lose it”**= physical exercise is one of the best ways to manage anger and stress levels. Regular exercise such as running, brisk walking and light weights are a great way to release the happy chemicals in our brains (endorphins)! Exercise is also a great escape when you are feeling angry; chuck on some runners and sprint down the street if you feel the anger rising.

**GIRLS ON THE GO! YEAR 8 GIRLS’ GROUP, TERM3 2010**

Now in its third year at Thornbury High School, Girls on the Go is aimed at fostering positive body image and self esteem amongst our young women. During this 8 week program the 15 participants enjoyed a range of activities and workshops including rock-climbing, elements of unhealthy/healthy relationships, bellydancing and even made their own organic skin care.

Here’s what Joshlyn of 8G thought about the homemade skincare activity:

“When all the girls heard that we would be having a ‘makeover’, they would never have imagined they’d end up with squished strawberries on their faces! We all had fun covering each other with strawberries- except when our faces were dripping with fruit and we had to walk through the corridor and past classes to get to the bathroom! Also in the lesson we learnt how to take care of our skin so that we wouldn’t use harmful products and find easy alternatives that were cheaper and better for our skin. In the end, we all had fun giggling and getting our hands dirty!”

Here is the recipe for the “Simply Scrumptious Strawberry Scrub”

**INGREDIENTS:** 2 ripe strawberries, 1 level tablespoon of course brown sugar (can use white sugar for a finer scrub)

**METHOD:** Place strawberries into a small bowl and using a fork mash them until coarsely pulped. Add the sugar and mix in well- avoid dissolving sugar completely.

THS NEWS 26th November 2010
TO USE: Dampen face with warm water. Spread strawberry and sugar mixture over your face and, using your fingertips, massage into skin using a circular motion. Rinse off with warm water and pat dry.

Whilst we are all looking forward to another exciting year, sadly, Thornbury High is saying a temporary goodbye to our much loved School Nurse, Emily Graham. Emily is expecting her first child in 2011 and on behalf of all the students and staff at our school we wish Emily and her husband lots of love, luck and joy as they embark on this exciting journey!

On behalf of the Wellbeing Team at Thornbury High school, we would like to wish every student and their families that there are many great services available to you during this holiday period.

Last week, 15th -19th November, there was an Indigenous basketball competition in which I was involved. It was a very amazing and fun week. The venue was Melbourne Sports and Aquatic Centre in Albert Park.

On the first two days of the week there were several games deciding what teams would be entered into the semi finals. Several teams were doing very well and others were trying their best. There were age groups assigned - under 14’s boys and girls, U16 girls and boys, U18 boys and girls and adult men’s and women’s teams.

Many teams came from other towns and States, eg, Perth, Cairns, Adelaide, Echuca and our home town Melbourne. The team that I was in was Vic Eagles U16 girls.

We had a few tough close matches. Every game we played we played our hardest. We won every game we played and got all the way through to the Grand Final. In the final we were pumped, full of energy and very nervous. We had to keep up our undefeated Vic Eagles’ reputation from last year. We were up against a team that we played against earlier in the week and we knew that it was going to be a close game. We played our hardest and defended the goals and the other team did the same. The siren went; the score was 36 to 28. We had won the final. We cheered. It was ours. The national finalists once again undefeated. We got into a huddle put our hands together (1, 2, 3 EAGLES) we yelled in joy.

At the end of the day the trophies were given out and thankyou’s were made. Many people went out and celebrated in triumph and some others went back to their homes or hotels to rest and pack for their flights back home. This was a big highlight of the year for me and I just can’t wait for next year to do it all again and, hopefully, win again.

THS NEWS 26th November 2010
The Education Maintenance Allowance (EMA) is provided to assist eligible families with the costs associated with the education of their children. To be eligible for receipt of the EMA you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the *State Concessions Act 2004* or be a Veterans Affairs (TPI) pensioner or be a foster parent.

Consequently parents/guardians are able to access the EMA if they have a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at the first day of Term 1 (1 February 2011) which is the first day for teaching staff) and Term 3 (18 July 2011).

The EMA application must be submitted to the school by 28 February 2011 for the first instalment and 5 August 2011 for the second instalment.

The EMA 2011 provides an annual amount of $460 for secondary students and is paid in two instalments. This amount is split evenly between the parents/guardians and the school. Students turning 16 years in 2011 will be paid on a pro rata basis.

Parents with continuing eligibility who are paid the first instalment of 2011 through this school will not be required to complete a new application for the second instalment. Parents who transfer children to another school after 28 February 2011 and prior to or on 5 August 2011, must reapply at the new school for the second instalment.

Application forms are available via the School office or on the school website [www.thornburvhs.vic.edu.au](http://www.thornburvhs.vic.edu.au). Applicants must provide a copy of their Healthcare card.
